

**Charleston Women in International Trade respectfully requests your consideration in making a financial contribution in support of our fourth annual "Soiree" at the Charleston Place Hotel on April 11, 2005.**

**WHAT is CWIT?** Our mission is to enhance the status of women who work in the field of international trade by presenting educational and networking events to benefit our common goals. Founded in 2002 as a chapter of the international Organization of Women in International Trade, CWIT is a nonprofit professional organization.

Membership includes both women and men who share an interest in international trade and are professionals in finance, public relations, government, freight forwarding, international law, agriculture, sales and marketing, import/export, logistics, and transportation.

Through sponsorship, CWIT has been able to become a stronger organization across the state, supporting women who aspire toward a career in international business and trade. Your sponsorship will allow CWIT to grow its **scholarship fund**, as well as to continue offering quality trade-related programs.
